

Dear all,

We want to start by congratulating the Head Students on the organisation of the Year 13 Prom which will be absolutely amazing. It will be a fitting end to what has been an extremely challenging two years and will reflect the resilience and togetherness you have shown as a cohort. We are so proud of how you have conducted yourselves throughout your studies and we trust that it will be reflected in your results.

Results day this year will be on **Thursday 14th August 2025**. Results will be available from **8.00am** in **The QSR** and staff will be on hand to provide help and support if needed. The School will remain open for as long as necessary, but we expect to be finished by 10.30am. We will be available via email after this: ayoungs@cottesloe.bucks.sch.uk

On results day, results will also be available from Exams Assist from 8am. Please can you ensure that you can access Exams Assist account prior to the school closing for summer.

The UCAS portal is due to open to students at **8.00am** where you can check on your University offers, although some of you may be contacted by your University prior to that.

If you are applying to University, it is essential that you read carefully the guidance regarding clearing in case you are not successful or want to change your course. We have included the link to UCAS guidance below. Scroll down until you reach the 'How to apply through UCAS clearing' section and you will find essential information on using 'clearing' and 'clearing plus'. It is essential that you do this prior to results day as you may need to act very quickly.
