

# **ASTRA School-Centred Teacher Training**

February 2021

Dear Alumni,

Can you help educate the next generation? Do you know someone who could?

The Cottesloe School is proud to be in partnership with the [Astra School Centred Initial Teacher Training](#) provider (SCITT), an innovative, Ofsted Outstanding and non-profit organisation which provides outstanding training opportunities for new entrants into the teaching profession.

Astra would welcome your help to reach as many potential new primary and secondary teachers as possible, including yourselves! We are currently recruiting trainees in the following subjects/phases across over 50 local selective, non-selective, primary and special schools for 2021/22: Art; Biology; Business Studies; Chemistry; Computer Science; Drama; English; Geography; History; Maths; Modern Foreign Languages; Music; PE; Physics; RE; Primary; Primary with Maths. Some part time routes are also available.

More information can be found on the [DfE train to teach portal](#), and applications can be made via [UCAS](#) or [DfE Apply](#), open to all current third year university students, as well as those who have already achieved their degrees.

[Please see if you qualify for a generous bursary to train!](#)

However, if a fun, rewarding and fulfilling career in teaching is simply not for you, then you can still help support the education of the next generation of our students. To help raise our profile, or to find out more, simply follow Astra on Twitter (@AstraAlliance), visit the website ([www.astra-alliance.com](http://www.astra-alliance.com)) or email at [hello@astra-alliance.com](mailto:hello@astra-alliance.com)

Thank you in advance for your support!
