

Course information			
Year: 8 Subject: Maths			
Subject	Maths	Subject Lead contact information	Mr J Brawn
Examination Board	Pearson/Edexcel	Specification Code	N/A
Subject Content			
<p>The students in Year 8 will follow the new updated Pearson Active Learn Core programme. The students are currently taught in mixed ability tutor groups whilst Covid-19 restrictions are in place in schools. The class teacher will provide support and depth materials on an individual basis.</p> <p>A workbook the course is purchased by parents to enable support at home. Parents can find the content covered outlined in these workbooks. Every student will cover 10 units, and these are tested after each unit and in an End of Year exam. The workbooks provide support for this in the check up, strengthen and extend sections at the end of each unit. To help students prepare thoroughly for their end of unit tests, there is also one to complete after each unit in this workbook.</p>			
Additional Equipment Needed Calculator and Maths set.			
Assessment Details:			
<p>To be successful students will need to be able to: Complete the work to the best of their ability, follow up at home using their workbook and perform well in all test situations.</p>			
What can I do to support my child at home?			
Encourage your child to do some work from their workbook "EVERYDAY"
