

The Transition Journey

Initial Places Allocated

March

Parents receive confirmation of student school places. Admission pack sent out.

Enhanced Transition Places Allocated

Early June

Parents and students will be informed of allocated places and receive an enhanced transition pack.

School Tours

Students and parents will be given the opportunity to have a school tour. Further details to follow.

Meet the Tutor

6th July

Students and parents will have the opportunity to meet key members of staff.

Summer Camp

End of August

We are hoping to run a Summer School event and will release further details once we have confirmation that this can go ahead.

Primary School Contact

April and May

The transition team will contact primary schools to collect key information about students. This will be used to create support packages if needed.

Visits to Primary Schools

May and June

The Transition Team aim to visit all primary schools to meet students and answer their questions.

Tutor Groups Allocated

End of June

Students will be allocated form groups and given access to Google Classroom / school e-mail accounts

Induction Days

5th and 6th July

Students will spend two days at The Cottesloe School experiencing a range of taster lessons and completing induction activities

September Induction

Transition support continues throughout the first term at The Cottesloe School.

Please note that all events are subject to change to ensure compliance with Covid guidance. Students following the enhanced transition pathway will receive additional individualised support.
