A new leaf...

We. Love. Autumn. Nature puts on its annual art show, roast dinners are back on the menu and, best of all, it's a culture vulture paradise, with loads of things to see and do. So, whether you're seeking career inspiration or want to impress interviewers with your industry knowledge, let's kick off the season with a trip to one of these [exciting new local exhibitions](#).

Careers: Five reasons to hit up a careers fair

Who needs a town crier when you've got us shouting, "Bucks Skills Show is back!" from the rooftops? On 5th-6th March 2025, over 120 businesses will gather in Stoke Mandeville Stadium for our annual experiential careers fair. [Here's why you should add the date to your diary.](#)

Not just numbers

Mad about money? Computer whizz? Head for business? Designed specifically for UK students, [Future in Finance](#) is a new resource for 14-25-year-olds looking to enter the world of finance. Sign up now for free to access interactive learning modules, chat with professionals from firms across the sector and discover available career paths.

University: How to make the most of a gap year

Thinking about deferring your university placement? From building homes for those in need to teaching English as a foreign language, [here are our ideas for ensuring your time out is as academically rewarding as it is #gridgoals](#). Elephant pants optional...

The bi-annual [Higher & Degree Apprenticeship Listing](#) has just landed with 2,300 new vacancies across 75 employers!

Careers: Film's behind-the-scenes roles

When it comes to film production, most people are familiar with what directors, cinematographers and costume designers do, but what about the hundreds of other roles? To celebrate the return of [Into Film Festival](#) this month, we're shining a spotlight on just some of the [brilliant paths open to cinephiles](#) who are more comfortable behind the scenes.

Best in class

What do Zenopa, De Vere and NFTS have in common? All three businesses recently welcomed local teachers into the workplace for an industry crash course. [Find out how the teacher encounters scheme empowers educators](#) to advise young people about careers, pathways, recruitment practices and more.

Work experience: Get creative with it

It might be nippy outside but [Creative Careers Week](#) is coming in hot with an exciting programme of [virtual work experience placements](#) in collaboration with Arts Council England. From 'Roles and Routes into the Theatre Industry' to 'The Working World of Content Production', these free opportunities are the perfect place to start your journey into the glitterati.
