Unreasonable late entries due to failure to follow procedures on the part of Subject Leaders will accrue costs to the Department in question.

A general retake programme is not allowed at GCSE or 'AS/A2 level.

All retake decisions will be made in consultation with the candidates, subject teachers and the Deputy Headteacher, Curriculum.

4.3: Retakes)

Candidates must pay the fee for an enquiry about a result, should the centre not uphold the enquiry and the candidate insist on pursuing the enquiry.
(See also section 11.2: Enquiries about results EARs])

6. The Disability Discrimination Act (DDA), special needs and access arrangements

6.1 DDA

The Disability Discrimination Act 2005 extends the application of the DDA to general qualifications. All examination centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

6.2 Special needs

A candidate's special needs requirements are determined by the SENDCO and the educational psychologist/specialist teacher.

The SENDCO will inform subject teachers of candidates with special educational needs who are embarking on a course leading to an examination, and the date of that examination. The SENDCO can then inform individual staff of any special arrangements that individual candidates may be granted during the course and in the examination.

6.3 Access arrangements

Making special arrangements for candidates to take examinations is the responsibility of the SENDCO and the Examinations Officer.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the SENDCO prior to the start of KS4.

Rooming for access arrangement candidates will be arranged by the SENDCO with the Examinations Officer.

Invigilation and support for access arrangement candidates will be organised by the SENDCO with the Examinations Officer.

7. Estimated grades

The subject leader for specific subjects will submit estimated grades to the Examinations Officer when requested to do so.

8. Managing invigilators and examination days

8.1 Managing invigilators

External invigilators will be used for examination supervision. They will be used for all examinations.

The recruitment of invigilators is the responsibility of the Examinations Officer.

Securing the necessary DBS clearance for new invigilators is the responsibility of the HR Manager.

DBS fees for securing such clearance are paid by the centre.

Invigilators are timetabled and briefed by the Examinations Officer.

Invigilators' rates of pay are set by the centre administration.

8.2 Examination days

The Examinations Officer will book all examination rooms after liaison with other users and make the question papers, other examination stationery and materials available for the invigilator.

Site management is responsible for setting up the allocated rooms.

The invigilator will start all examinations in accordance with JCQ guidelines.

Subject staff are not to be present at the start of the examination unless requested to be there by the Examinations Officer.

In practical examinations subject teachers may be on hand in case of any technical difficulties.

Examination papers must not be read by subject teachers or invigilators and must not be removed from the examination room before the end of a session. Papers will be distributed to subject leaders 24 hours after the end of the examination session.

Staff failing to follow these strict instructions will have to remain in the examination hall for the duration of the examination.

9. Candidates, clash candidates and special consideration

9.1 Candidates

The centre publishes rules on acceptable dress, behaviour and candidates' use of mobile phones and all electronic devices, these rules apply at all times.

Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.

Disruptive candidates are dealt with in accordance with JCQ guidelines.

Candidates may leave the examination room for a genuine purpose requiring an immediate return to the examination room, in which case a member of exam staff must accompany them.

The Attendance Officer will attempt to contact any candidate who is not present at the start of an examination and the Examinations Officer will deal with them in accordance with JCQ guidelines.

9.2 Clash candidates

The examinations office will be responsible as necessary for identifying escorts, identifying a secure venue and arranging overnight stays.

9.3 Special consideration

Should a candidate be too ill to sit an examination, suffer bereavement or other trauma or be taken ill during the examination itself, it is the candidate's responsibility to alert the centre or the examination invigilator, to that effect.

Any special consideration claim must be supported by appropriate evidence within five days of the examination, for example a letter from the candidate's doctor.

The Examinations Officer will then forward a completed special consideration application to the relevant awarding body.

10. Coursework/Controlled Assessment and appeals against internal assessments

10.1 Controlled Assessment

Candidates who have to prepare portfolios should do so by the end of the course or centre-defined date.

Subject Leaders will ensure all controlled assessments are ready for despatch at the correct time and the Examinations Officer will keep a record of what has been sent when and to whom.

Marks for all controlled assessed work are provided and verified by Subject Leaders to the exam boards.

10.2 Appeals against controlled assessments

The centre is obliged to publish a separate procedure on this subject, which is available from the examinations office.

The main points are:

- appeals will only be entertained if they apply to the process leading to an assessment. There is no appeal against the mark or grade awarded
- candidates may appeal if they feel their coursework has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification
- appeals should be made in writing by 30 June to the Examinations Officer who will pass to the Deputy Headteacher to decide whether the process used conformed to the necessary requirements
- the Deputy Headteacher's findings will be notified in writing, copied to the Examinations Officer and recorded for awarding body inspection.

11. Results, enquiries about results and access to scripts

11.1 Results

Candidates will receive individual results slips on results days in person at the centre.

Arrangements for the school to be open on results days are made by the Head of Centre.

The provision of staff on results days is the responsibility of the Head of Centre.

11.2 Enquiries about results (EARs)

EARs may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking.

When the centre does not uphold an EAR, a candidate may apply to have an enquiry carried out. If a candidate requires this against the advice of subject staff, they will be charged.
(See section 5: Examination fees)

11.3 Access to scripts

After the release of results, candidates may ask subject staff to request the return of papers within three days' scrutiny of the results.

If a result is queried, the Examinations Officer, teaching staff and Head of Centre will investigate the feasibility of asking for an enquiry about results at the centre's expense.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

GCSE EARs cannot be applied for once a script has been returned.

12. Certificates

Certificates are presented in person.

Certificates may be collected on behalf of a candidate by a third party, provided they have given written authorisation to do so.

Certificates are not withheld from candidates who owe fees.

The centre retains certificates for one year.

13. Review

This policy will be reviewed in two years (earlier any legislative change).
